Dear Mr. Nagel,

I realize the inconvenience our late Report of Final for the spring semester caused, and I would like to apologize for the Kansas Gamma Chapter. As a result of not being able to fulfill his office, Tom Beery, our Corresponding Secretary resigned, and our chapter elected Randall Groves as the new Secretary. His school address is 500 Sunset, Manhattan, Ks. 66502.

Also, our chapter has elected two new advisors as part of our policy to rotate our Advisory Board.

The new members are Larry Erickson of Chem. E., and Wayne Williams of Civil Engineering. They replace Floyd Harris and Hugh Walker.

Please send me the balance our chapter has credited for convention delegate's expenses, and a price list for Chapter stationery.

Sincerely yours,
